EMILE BLANC, ASS'T CHIEF
FRED M. SHAW, CAPTAIN

HARRY O. WHITE, SECRETARY
C. A. WILSON, TREASURER

GLEN ELLEN FIRE DEPARTMENT
JIM NORRBOM, CHIEF
GLEN ELLEN, CALIFORNIA

June 8, 1943

Dear Property Owner:

On October 1, 1941, a letter from the Glen Ellen Fire Department was sent to all local property owners soliciting funds to build a suitable cottage to house paid firemen so that you might have all-year fire protection.

As a result of that and subsequent letters, contributions amounting to approximately $1200.00 have been received to date, for which we have constructed and furnished a modern cottage. A conservative appaisal of same is $2500.00. This was made possible by free labor and liberal donations of building materials.

By this report you can see that you have received 200 cents worth of community improvement for every dollar expended.

The Department is now faced with the necessity of replacing certain equipment to maintain its efficiency. We know that you are interested in the best available protection. We want you to have that protection, therefore we are making this appeal to you for a liberal donation to maintain the Fire Department at its highest efficiency.

You may either mail or leave your donation with H. O. White of the Valley of the Moon Grocery, or Jim Norrbom of the Golden State Garage of Glen Ellen, California.

E. O. Dryden

E. O. Dryden, Secretary
